

Le Somail / Capestang

Canal des 2 Mers by bike - Atlantic / Mediterranean sea

It's a wrench leaving enchanting Le Somail. Although the port of Sète is a long way off, this is just a short stage to Capestang, signalled by the bell tower of St-Félix Church, which guides you to this village's central square, where you can enjoy a rest in the shade of the plane trees.

The route

The towpath track you take on this stage is of uneven quality.

SNCF train station

There are no train stations near this stage.
