

Baume-les-Dames / Deluz

EuroVelo 6 - Cycle Route of the rivers

This is one of the most beautiful of EuroVelo 6 stages. Between Baume-les-Dames and Deluz, the Doubs River runs between dramatic, wooded limestone hills. Along the cycle path, you'll spot vestiges of the old industries that exploited the valley up until the first half of the 20th century. This stage is accessible to all.

Route

You leave Baume following the Doubs River at the foot of old quarries. Then comes a greenway (with a short but steep incline at the start) before you share the road with cars between Douvot and Deluz.
