EuroVelo 6 - Cycle Route of the rivers

This EuroVelo 6 stage through Franche-Comté goes from regional capital Besançon to St-Vit along an idyllic greenway sticking to the meandering Doubs, below imposing forts guarding the valley. This valley provides wonderful green backdrops, while outdoor sports and recreation centres have been created along the way, for example at Osselle. This stage is accessible to all.

Route

Greenway from Besançon to St-Vit, except for a short stretch by road at Thoraize. At this place, there is a slope to get over a rocky section.
