Canals & intimate rivers

On this EuroVelo 6 stage you enter the western Burgundian county of the Nièvre, also known as the Nivernais. You cycle for a short stretch beside the Loire before heading across hilly terrain to join the Canal du Nivernais. A greenway leads to the pretty mariners' town of Decize, back beside the Loire. A stage for experienced cyclists.

Route

Along calm but hilly roads that don't present any major difficulties. Then it's a greenway along the Canal du Nivernais up to St-Léger-des-Vignes. At Decize, be careful of the busier traffic. Note that there are few services on this stage, so stock up on food and drink before setting off.
