This stage of "The Loire in Burgundy" on the EuroVelo 6 itinerary starts at the port of La Jonction in Decize and links Fleury-sur-Loire by taking the towpath of the Canal Latéral à la Loire. The route is punctuated by rural landscapes and authentic villages. On your way, the small canal bridge of the Acolin lock located before the village of Avril-sur-Loire and the Fleury-sur-Loire nautical stopover offer beautiful stops for lunch or refreshments (from May to the end of September).

Route

The towpath of the Canal Latéral à la Loire, which has been fully equipped for cyclists and pedestrians, connects Decize to Fleury-sur-Loire and can be continued to Nevers (20.02 km). From Nevers, possible extension to the canal bridge of Guétin/Cuffy (12 km) and panorama of the Bec d'Allier.
