Canals & intimate rivers

On this EuroVelo 6 stage in the Franche-Comté region, the cycle path meanders between the Canal du Rhône au Rhin and the Doubs River. The sinuous Doubs Valley offers beautiful viewpoints of the natural surrounds and the region's historic towns. It makes for a very pleasant cycling trip that's accessible to all.

Route

The cycle paths leaving Montbéliard are still being laid out, so follow the signposting carefully. Between Dampierre-sur-le-Doubs and Colombier-Fontaine the itinerary is provisional, on sloping roads. Then you join a cycle path along the canal up to L'Isle-sur-le-Doubs.
