

Montreux-Jeune / Montbéliard

EuroVelo 6 - Cycle Route of the rivers

This EuroVelo 6 stage in the region of Franche-Comté takes you the whole way alongside the Canal du Rhône au Rhin. A gentle incline leads to the bustling city of Montbéliard, with its attractive Prés-la-Rose Park. At Brognard Lock, it is possible to take an alternative route to see the pretty, colourful town of Belfort. This stage offers easy cycling for all.

Route

This stage is entirely along a canal-side greenway. Take care entering Montbéliard, where the route is still being laid out, and crossing the bridge over the railway lines towards the town centre.

Alternative route

At Brognard Lock, you can join a cycle path beside the Canal de la Haute-Saône up to Danjoutin, just south of Belfort. A path is then signposted into the town centre via Promenade F. Mitterrand. Numerous trains link Belfort and Montbéliard (15 mins travel time).
