In the vineyards, Canals & intimate rivers

This EuroVelo 6 stage in Burgundy starts at Chalon, then takes you along the Canal du Centre, leading towards the Loire River. This stage is particularly peaceful and enjoyable, taking you along a canal appreciated by anglers and pleasure craft. The cycle route is easy, being almost entirely on greenways, except for leaving Chalon.

Route

From central Chalon, reach the old canal, which starts in the St-Gobain quarter, by taking the Paris road (the N 6, provided with marked-out cycle lanes). Then enjoy unbroken greenways to St-Léger-sur-Dheune. Note that the cycling stages that follow as far as Paray-le-Monial have not been laid out as yet. You can take a train from Chagny on.
