## EuroVelo 6 - Cycle Route of the rivers

This EuroVelo 6 stage through Burgundy takes you along an unfinished part of the region's Voie Bleue greenway that will eventually continue along the Saône to historic Chalon. At Verdun-sur-le-Doubs, the Saône is joined by the River Doubs, forming a remarkable site. This stage is mainly along roads, but it doesn't present any difficulties.

### Route

The route is provisional and not signposted as yet. You can cycle from Seurre to Chazelle along a towpath, although the track isn't good; alternatively, use the D 35d road. Then follow quiet roads across the plain to Verdun, but take care entering this town.
