Thématique
Canals & intimate rivers

Setting off on this stage of EuroVelo 6 through Burgundy, enjoy the pretty views over the majestic Saône River from the historic little mariners' town of St-Jean-de-Losne. The route that follows is in part provisional, but very pleasant nonetheless, combining stretches of greenway with stretches along tracks and roads, all the while remaining accessible to all.

Route

Follow the Voie Bleue (the greenway beside the Saône) from Losne to Pagny, with a stretch by road from Losne to Changey. From Pagny to Seurre, the route is provisional, taking you along tracks and quiet roads. The cycling is easy.
