La Loire à Vélo - Loire Valley by bike

This is the last stage on the Loire à Vélo cycle route, but it also offers you the opportunity of joining the Velodyssey cycle route as it runs alongside the Atlantic. The Loire is strongly affected by the tides here and arriving at the end of the stage, you end up in a typical seaside resort!

Itinerary

Temporary route on small lanes with the cycle track beginning in Mindin. Take care when crossing the RD 77 and RD 77a. End of the Loire à Vélo route at Mindin.
