Canals & intimate rivers

Once you've left Orléans's suburbs behind, you reach the attractive confluence of the Loiret and Loire rivers. This stage of the Loire à Vélo and EuroVelo 6 runs in part along a raised Loire-side levée, looking over an agricultural plain used for market-gardening. Don't miss Meung-sur-Loire et Beaugency, deeply atmospheric small historic towns.

### Route

Take care crossing the bridge at Meung-sur-Loire (on the D 18 road).

### Railway station - SNCF
