Nature & small heritage

This stage of cycle route V44 goes through the heart of the Saosnois area, taking you via its countryside and villages. From Mamers, capital of the Saosnois, a pretty greenway going along a disused railway line leads to Les Mées. The route continues along quiet country roads up to Beaumont-sur-Sarthe.

The route

The V44 is signposted all along this stage. Leaving Mamers, up to Les Mées, the greenway you take is made up of compacted sand. Then you go via quiet, hilly roads up to Vivoin. Take care on the D 26 road between Vivoin and Beaumont-sur-Sarthe.3
