

Bouin / La Barre de Monts - Fromentine

La Vélodyssée, the Atlantic Cycling Route

The last stage of La Vélodyssée in the Bay of Bourgneuf-en-Retz (your pedals keeping time with the sweeping circles of its wind turbines!) before arriving at the very lively Port-du-Bec in Epoids. The highlight of the day will be crossing the famous Gois causeway to the Island of Noirmoutier, tides permitting!

Itinerary

Quiet lanes take us to the Gois; only crossed at low-tide; take care as the road surface is slippery and traffic also crosses.

Greenways from Noirmoutier to Notre-Dame-de-Monts via the bridge
