

St-Brevin-les-Pins / Pornic

La Vélodyssée, the Atlantic Cycling Route

This stage of La Vélodyssée starts by crossing St-Brevin between the sea, dunes, pine trees and villas. It continues into the countryside of the Pays de Retz towards St-Michel-Chef-Chef and the charming tourist seaside resort of Pornic.

Itinerary

Caution and vigilance are recommended, because this stage passes through several residential areas and uses a very busy road network which is particularly heavy in summer. Currently there are very few usable greenways in this stage.
