Durée 2 h 15 min	Distance 33,92 Km
Niveau I cycle often	Thématique Seaside

This stage of La Vélomaritime - EuroVelo 4 begins with a short climb to Condette, where the Château d'Hardelot makes an appealing stop, with its bicycle maintenance station (if needed), a place for a bite, and the castle to visit. From here, a link allows you to join the cycle paths around the resort of Hardelot, tucked between the sea and a forest. Next, cycle beside the Nature Reserve of Le Mont Saint-Frieux and the Commonwealth War Cemetery at Etaples. This port looking onto the Bay of the Canche offers tempting culinary delights before you continue on to Le Touquet.

The route

Between Boulogne and Hardelot, works were programmed between Outreau and Le Portel in 2019. Between Outreau and Condette, before arriving at Ecault Forest, at time of writing, the route is not laid out for cyclists.

Reaching Hardelot, a link can steer you to the centre of the resort. After Hardelot, cycle tracks run parallel to the D940 road, up to Etaples-sur-Mer.

To reach Le Touquet, cross the Pont Rose bridge at Etaples, using the cycle lane put in place.
