

Ducey-Les Chéris / Saint-Hilaire-du-Harcouët

La Vélomaritime / EuroVelo 4

This Vélomaritime stage shares the way with the Véloscénie cycle route, taking you along a former railway track converted into a greenway, leading to St-Hilaire du Harcouët. Founded and fortified by a comrade-in-arms to William the Conqueror, this fortress town strategically placed between the Cotentin Peninsula, Brittany and French Maine (now in the Pays de la Loire Region) offers a variety of activities in summer based around the Plans d'eau du Prieuré, a series of lakes.

The route
