

Étretat / Fécamp

La Vélomaritime / EuroVelo 4

Leaving behind Étretat's shingle beach and spectacular cliffs, the Falaises d'Amont and d'Aval, your Vélomaritime journey continues into the green countryside behind the coast, passing via the villages of Saint-Léonard and Les Loges, to be enjoyed as you cycle through them. Then you descend towards Fécamp, once a major centre for the medieval Dukes of Normandy.

The route

You start this stage by crossing the villages of Les Loges and Saint-Léonard. Continue on to join the D940 road. The route then leads you straight on to the Renneville campsite, which you have to cross through.
