

La Haye / Saint-Sauveur-le-Vicomte

La Vélomaritime / EuroVelo 4

The Vélomaritime route leaves La Haye-du-Puits and its 11th-century keep, still defying time. This stage offers easy cycling along a green ribbon lined by trees, affording you lovely glimpses of the little valleys to the sides. Saint-Sauveur-le-Vicomte and its medieval château, which was besieged twice in the Hundred Years War, welcome you at the end of this stage.

The route

Leaving La Haye-du-Puits, there's a short stretch on a road shared with motorized traffic. Then the rest of the stage is wholly along a greenway, offering lovely views over the valleys to either side, without cyclists having to deal with much by way of climbs or descents. North of La Haye-du-Puits, there's a junction with a greenway leading to Portbail and the coast. There are many picnic spots along this stage.
