Seaside

Should you have time on your hands, head up first to the seaside resort of Saint-Cast-le-Guildo to make the most of its beaches. The Vélomaritime route then takes you on smoothly via minor roads to Pleslin-Trigavou, which you reach riding along a stretch of the Dinan-Dinard greenway. On the way, stop at the Château du Guildo, enjoying exceptional views of the Arguenon Estuary.

## The route

Mainly on minor roads, with a stretch at the end of the stage along a greenway, from Trémérec to Pleslin-Trigavou. To avoid crossing the Rance Dam, that way proving too dangerous for cyclists, the route leads you along the Rance Valley.

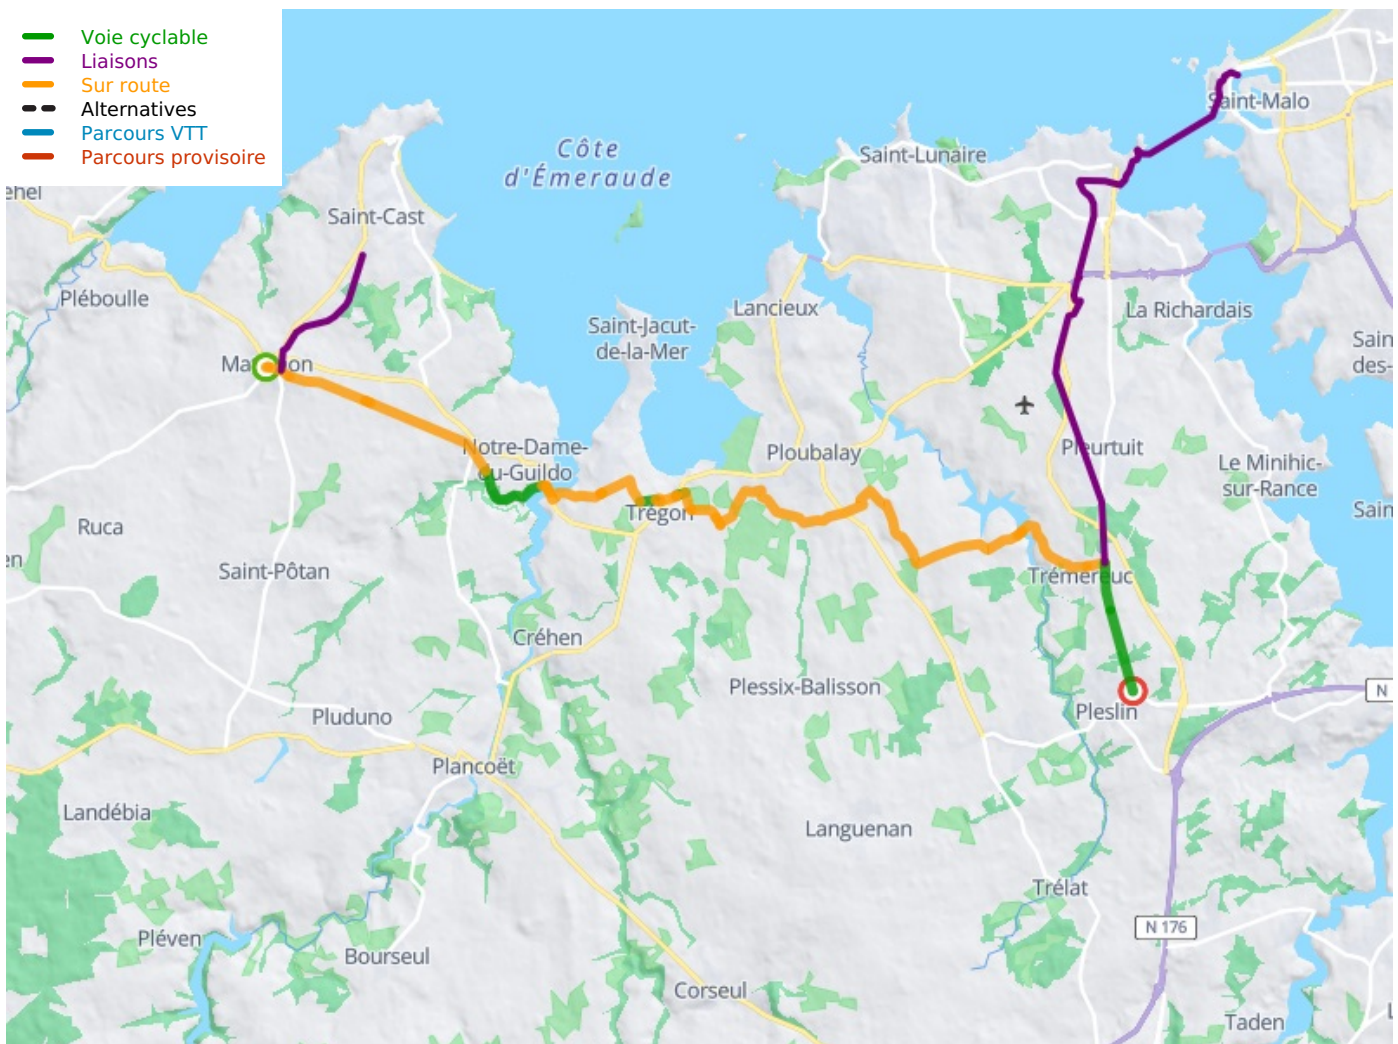

**Take care** crossing the Arguenon River via the Pont René Pléven bridge along the RD786 road.

## Links

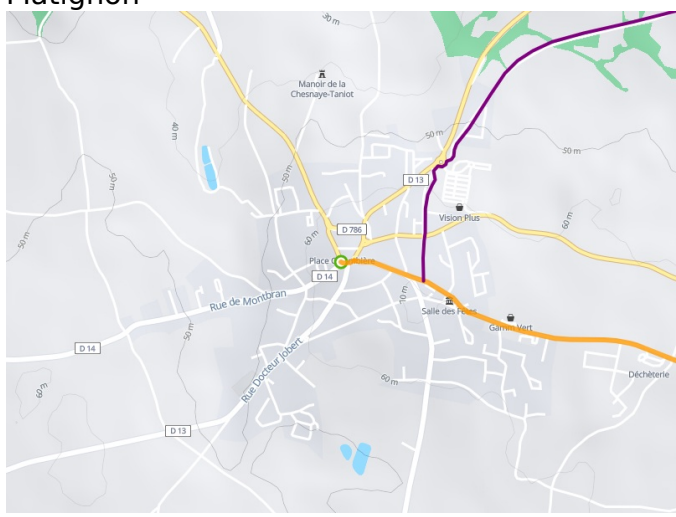

From the village of Matignon, a 3km link allows you to reach the seaside resort of Saint-Cast-le-Guildo. Leaving Trémérec, there's a 9km link via a former railway line taking you to Dinard.
