

# Mont-Saint-Michel / Ducey-Les Chéris

La Vélomaritime / EuroVelo 4

The Vélomaritime route leaves Normandy's Marvel behind, taking you via minor roads across salt-meadows. Make the most of the last glimpses you're afforded across to the Mont Saint-Michel set in its great bay before reaching the Sélune Estuary, your gateway to the traditional bocage normand landscapes, consisting of hedge-divided fields. A lovely greenway leads you gently to the centre of the well-flowered village of Ducey.

## The route

After the Mont Saint-Michel, you follow minor roads from Beauvoir to the Sée Estuary at Pontaubault. Then you ride along a greenway to Ducey.
