

Plougasnou > Morlaix

La Vélo maritime - EuroVelo 4

From the small town of Plougasnou, continuing along the coast, the magnificent Bay of Morlaix comes into view, with its rocky headlands and numerous islands, including those protecting a bird reserve, the Ile Louët, and that crowned by the Château du Taureau. If you're a fan of oysters, try them at the picturesque port of Le Dourduff-en-Mer. Then head upriver to the historic town of Morlaix.

The route

The route follows quiet roads, with some steep stretches. Once you've crossed the Dourduff River, leave the D 76 road to join the greenway to your left.
