

# Morlaix / Scrignac

## Roscoff to Concarneau - Cycle route 7 in Brittany

The seaside atmosphere slips into the background once the greenway reaches the upper part of town. From here on, this stage of La Véloodyssée moves into a dense forest setting, typical of the Monts d'Arrée.

### Itinerary

A fair climb awaits up to the Morlaix greenway: a gentler section accessing the route is under construction. Be careful at the intersections, and remember that there are no shops on the greenway between Morlaix and Scrignac.

### Connections

Small hilly routes to reach the parish grounds of Plougouven.

Small hilly routes to reach Scrignac and its shops.
