

Roscoff / Morlaix

Roscoff to Concarneau - Cycle route 7 in Brittany

After leaving the old port enjoy a stage filled with scents from the fields of early fruits and vegetables in the Pays Léonard. A great variety of views can be enjoyed as you pass along the little lanes and managed trails, which take La Vélodyssée as far as Morlaix.

Itinerary

From the old port, the route is shared with La Vélodyssée. You'll find signposts at the Auxerre Quay intersection and the Rue Jeanne d'Arc. The route heads towards the historic fort at la pointe du Blocon. Several parts are shared with the footpath. We then follow the train track on the Pen Ar Creac'h pathway after turning right onto the Rue de Gourvenec. At the Rue de la Grande Grève, turn right... unless you wish to discover the beach - there is a large one at Trofeunteun. **Take care** when crossing the **D 58** at the Corde Bridge. Take the **D 769** between Lanvéguen and Penzé.
