I cycle often

Arrivée
La Ferrière-Harang
(viaduc de la
Souleuvre)

Distance
27,53 Km

Thématique
Nature & small heritage

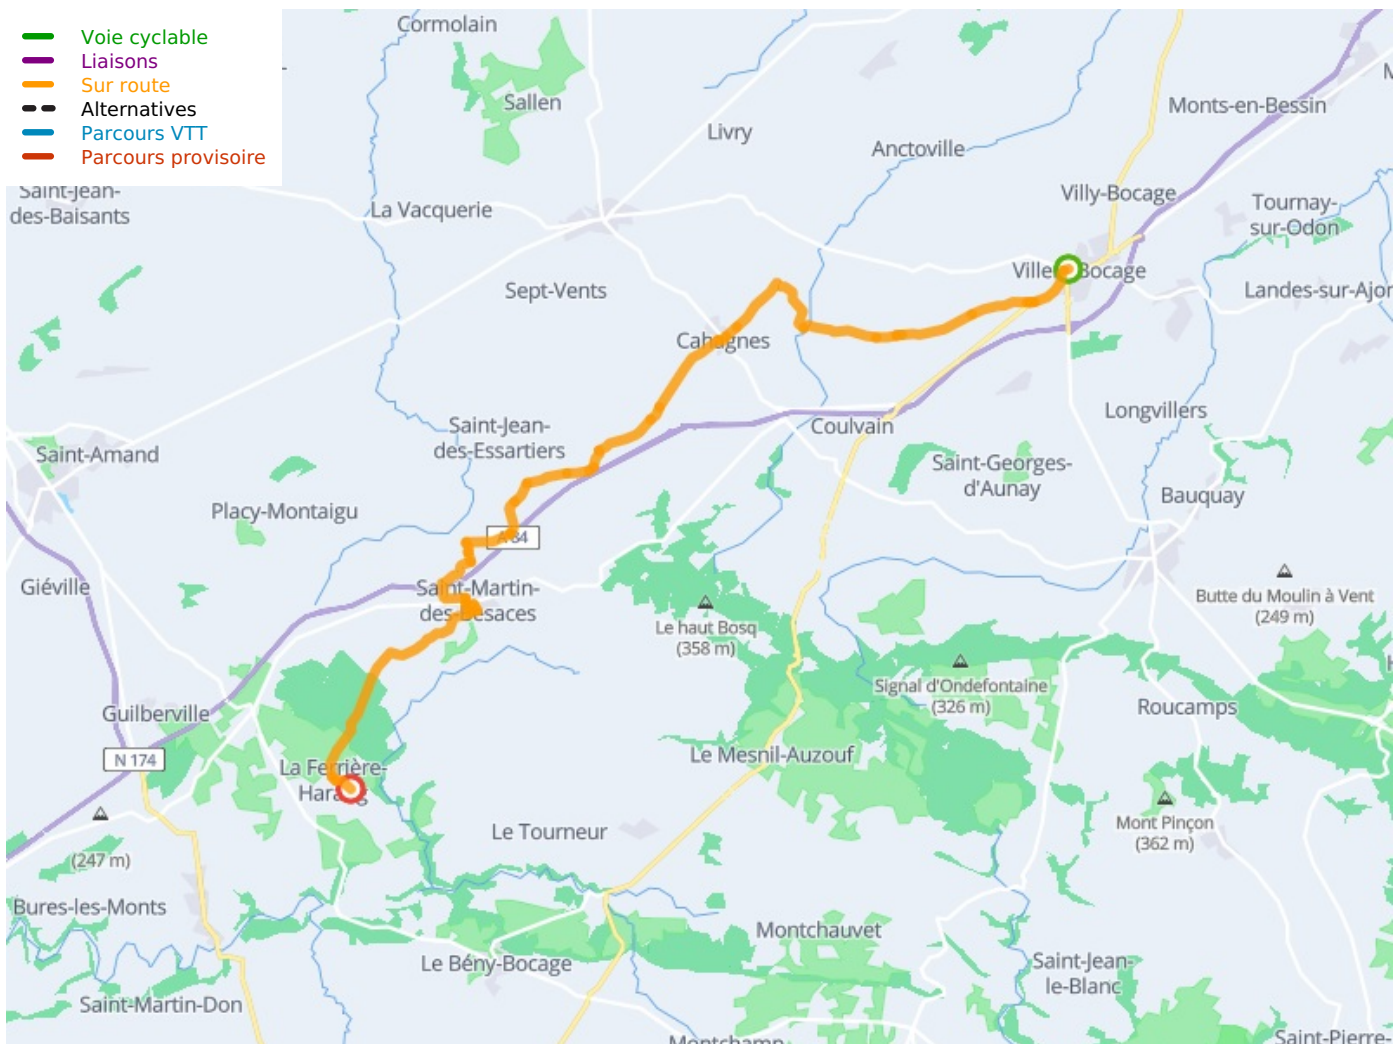

The itinerary signposted for you on leaving Villers-Bocage is provisional. Cyclists are advised to take particular care on the 1km stretch along the D 675 road. Then you plunge once again into the typical countryside of the Bocage Normand, going via the Crahan Valley. Next comes the magnificent Forêt de l'Evêque before you arrive at a sensational spot beloved of adrenaline junkies - the Souleuvre Viaduct, well known to bungee jumpers.

The cycle route

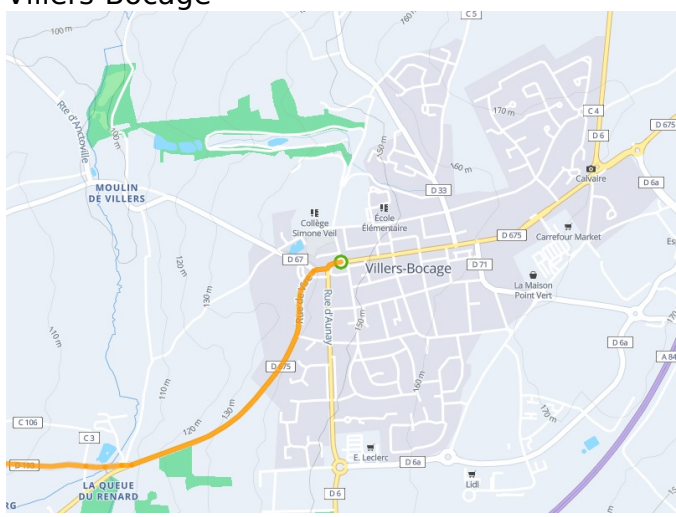

Exit Villers-Bocage in temporary arrangement, the route follows a busy road for 1km wide with a lot of visibility. After passing Saint-Martin des Bessaces, two climbs on the cycle route.
