Travelling through the gently sloping landscapes, this stage of La Meuse à Vélo winds its way leisurely along the river. The Trans'Ardennes green route crosses huge flowery meadows and pastel landscapes; like something out of a dream. Head south towards Stenay.

### The route

From Remilly-Aillicourt to Sedan, you will find a section of the Trans'Ardennes green route created in 2016. Completely flat and car-free, this stage is suited for everyone.

It connects with a trail heading towards downtown Sedan, which is not marked out and does not have bike lanes.
