

Andernos / Lacanau

The Tour de Gironde by bike

After a visit to the Arès and Lège salt meadows nature reserve, the route weaves its way between the sand dunes and forests in a peaceful and relaxing setting well away from the cars, during this pleasant stage on the Tour de Gironde à Vélo. Feel free to veer off the cycle route to enjoy some of the trips out towards the sea. And to admire the magnificent ocean landscapes, particularly in Porge. Never straying far from the shore, the route continues on towards Lacanau.
