

Bazas / Saint Symphorien

The Tour de Gironde by bike

Setting off from Bazas, the road follows a cycle path along the former railway line which once connected the Arcachon Basin to the Garonne. Two must see sites along the way: the collegiate church of Notre-Dame d'Uzeste, which houses the tomb of Pope Clement V. And the castle of Villandraut, built by the latter in the 14th century. This is also a great opportunity to sample the delights of the Bordeaux Wine Route in Graves and Sauternes.
