

La Réole / Bazas

The Tour de Gironde by bike

From La Réole, the route continues on to the Canal de Garonne, along a pleasant towpath in the shade of plane trees. Between Castets-et-Castillon and Bazas, we continue along a long-distance cycling route. The mediaeval town of Bazas and its cathedral of Saint-Jean-Baptiste, listed as UNESCO world heritage sites as part of the Santiago de Compostela routes, are particularly noteworthy. The delicious Bazas beef is a local speciality meat lovers must absolutely try.
