## The Tour de Gironde by bike

---

Leaving the Gironde's forests behind you, you now enter urban areas as you reach the Arcachon Basin in Biganos. While still along the former railway line, the atmosphere is radically different. You should get off the trail, to discover the oyster-fishing ports. And protected natural areas like Domaine de Certes-Graveyron. You'll find small seaside resorts along the way: Audenge, Lanton, Andernos, all perfect places to discover the region's charming coastal heritage. One variant of the route takes you to Arcachon and the Dune du Pilat, a giant sand dune. From here, a pleasant boat trip will take you to Cap Ferret.
