

Durtal / Angers

The Vallée du Loir by bike

From one bank to the other of the Loir valley and after the imposing fortress of the Kings of France in Durtal, the Angevin stage continues on small roads or country lanes through dams and mills. Villevêque is a historical and artistic place where you can swim or canoe along the Loir River. In Cantenay-Epinard, the route joins the Vélo Francette, allowing you to discover the low valleys of Angevin and then the famous town of King René.
