

Saint-Antonin-Noble-Val / Laguédie

Vallée et Gorges de l'Aveyron by bike

Saint-Antonin-Noble-Val is a gem along the Aveyron Valley. A stopover here will prove memorable. The route continues to be as spectacular as ever, but the way proves easier, more of this portion running along the valley bottom. It takes you through charming villages before coming to a delightful, provisional end, at the foot of the old Château de Saint-Martin-Laguédie.

The route

This part of the route is mainly along quiet country roads, with many stretches running right beside the Aveyron River.
