## Veloscenic : Paris to Mont-Saint-Michel cycle route

Watch out! This stage is a provisional route, not signposted and can be discontinuous. This stage first takes you along a series of streets and roads leading to the newly laid-out greenway that follows the former route of the Aérotrain near Gometz-la-Ville. We advise to download roadbooks and GPS tracks in order to guide you.

### The route

This stage is not yet signposted and can be discontinuous sometimes (interruptions of cycle paths for example).

From Massy, you will cross the cities of Palaiseau, Orsay, Bures-sur-Yvette and Gometz-la-Ville between bike lanes, cycle paths, and roads with moderate traffic.
