

# Rémalard / Mortagne-au-Perche

## Veloscenic : Paris to Mont-Saint-Michel cycle route

Continue along the greenway hugging the Huisne River and cross through the heart of the Parc Naturel Régional du Perche. In many places, perhaps half-hidden by trees, you'll spot a typical old manor or restored mill. All told, this is one of the most enchanting stages along La Véloscénie.

### Itinerary

You're cycling along a greenway for the whole of this stage.

### Links
