

# Palavas-les-Flots / Sète

## ViaRhôna

From Palavas-les-Flots, close to the bigger city of Montpellier, the itinerary is winding between beaches and saltwater lagoons. Do not miss the Maguelone Cathedrale where you will glimpse at the massif of Gardioles covered with its garrigues. A shellfish tasting while sipping a glass of "Muscat de Frontignan" will be your rewards for this last stage of the ViaRhôna. The arrival to the Sète Harbor, at the edge of the Etang de Thau, marks the end of the adventure.
